

April 7, 2020: Cancellation of May, 14, 2020 Symposium

The FPA of Northeastern New York, Inc. Board of Directors has made the difficult decision to cancel the 2020 Symposium, which was originally scheduled to take place in Troy, NY on May 14, 2020. The Board has concluded that it would be impossible to hold the event as planned at a later date.

The coronavirus continues to spread in the Greater Capital District (and elsewhere) and the number of COVID-19 cases in New York continues to increase. This has resulted in Governor Cuomo declaring a state of emergency, in addition to the other emergency declarations that have been issued by the CDC and WHO.

Our Chapter's April 23, 2020 program will be held virtually with call-in details to follow.

Concerning the 2020 Symposium, the FPA NENY offers our 2019/2020 Combo purchasers (all monthly meetings + Symposium 2020) an option to credit the Symposium portion of the purchase to the 2021 Symposium. Combo holders will be contacted directly as soon as possible.

Our Board takes this opportunity to recognize the outstanding work of the Symposium Committee, headed by Thomas McGrath, CFP®, along with many other contributors, program presenters, sponsors, and exhibitors in designing what promised to be an exceptional event. We realize the FPA of NENY Symposium is one of the most valuable benefits to our members and supporters. It is a chance to not only learn but also connect and network with others in the financial planning community.

We are thinking of you and, again, appreciate your patience as we work through this uncharted territory for FPA NENY and explore the best path forward.

If you have any questions, please contact the FPA of Northeastern New York, Inc. via email info@fpa-neny.org.

We will continue to manage our Chapter as an efficient and inclusive resource for the financial planning community and as the premier association of financial planners in Northeastern New York. If you have any questions or concerns, please don't hesitate to reach out to me directly.

Thank you.
